

On 10/15/2010, the American Action Network notified the FEC that:

"Reports filed on 10/15/2010 indicating a date of public distribution on 10/13/2010 are amended versions of reports originally filed on 10/14/2010 (see image #10931444450,10931444022, 10931443986, 10931443774, 10931443739, 10931443105).

The online filing program would not permit me to check the box indicating the reports are amendments."

Please note the reference to "10/15/2010" in the above-quoted language should be "10/16/2010."
